DECLARATION FORM OF GROSS FAMILY INCOME - 2026

(You can use the information of your income tax report for 2025)

The following form must be filled out, if your child was not referred to us by a charitable organization relevant to the minister of health and social services. Camp Gan Israel receives financial aid from the Ministere de l'Education, du Loisir du Sport (MELS). To continue receiving aid we have to inform the MELS the number of low-income families that we accommodate. To determine the number of campers that are from lower income families and will benefit from our camp this summer (2026), the MELS has given us a scale of low-income families to use as a reference.

The scale is the following: (gross income)

1 person:	Up to \$35,879
2 people	Up to \$50,712
3 people:	Up to \$62,109
4 people:	Up to \$71,717
5 people:	Up to \$80,183
6 people:	Up to \$87,836
7 people:	Up to \$94,873
8 people:	Up to \$101,424
9 people	Up to \$107,576
10 people	Up to \$113,395
11 people	Up to \$118,930
12 people	Up to \$124,218

Based on the above scale, according to the number of people in your family, is your family income in 2025 lower than the amount shown?
